IML Quote Request Checklist

Prepare the following information before requesting an IML system quotation from IVI.

Product information

- ☐ Product name and application
- ☐ Product photos
- ☐ Product STEP file
- ☐ Product dimensions
- ☐ Product weight
- ☐ Plastic material
- ☐ Physical product samples

Label information

- ☐ Label drawing
- ☐ Label dimensions
- ☐ Label material
- ☐ Label thickness
- ☐ Number of labels per product
- ☐ Label placement direction
- ☐ Physical label samples

Mold information

- ☐ Number of cavities
- ☐ Cavity arrangement
- ☐ Mold dimensions
- ☐ Mold weight
- ☐ Mold STEP file
- ☐ Ejection method
- ☐ Current mold status
- ☐ Whether IVI should supply the mold

Injection molding machine information

- ☐ Existing machine brand and model
- ☐ Machine specification sheet
- ☐ Tie-bar spacing
- ☐ Mold-opening stroke
- ☐ Mold thickness range
- ☐ Robot interface information

- ☐ Machine and workshop photos
- ☐ Whether IVI should supply the machine

Production requirements

- ☐ Current cycle time
- ☐ Target cycle time
- ☐ Required hourly output
- ☐ Daily operating hours
- ☐ Product removal method
- ☐ Stacking requirements
- ☐ Conveyor requirements

Inspection and packaging requirements

- ☐ Label inspection requirements
- ☐ Product inspection requirements
- ☐ Defective-product rejection method
- ☐ Automatic bagging requirements
- ☐ Automatic boxing requirements
- ☐ Palletizing requirements
- ☐ Production data requirements

Project information

- ☐ Factory layout
- ☐ Available installation space
- ☐ Power supply
- ☐ Compressed-air supply
- ☐ Safety requirements
- ☐ Destination country and city
- ☐ Expected delivery date
- ☐ On-site installation requirements
- ☐ Remote support requirements
